Hi Angie,

No comments or suggestions—this looks fine to me. Did they say why they were making a change, and/or what's different from the original workplan? I can ask my contacts at CARB directly if they didn't let you know.

Thanks,
Laura

Hi Laura,

Attached is a work plan revision from CARB for their On-Road Motor Vehicle Emissions project. This border project was approved in 2019.

Please let me know if you have any comments or recommendations. If not, I will accept the revision as submitted.

Thanks!

- Angie

Hi Angela,

We have a change in the workplan for the \$100,000 On-Road Emissions Inventory Baja project (19/20). Please let us know if you need anything else from us to process this request.

Thank you,
